

Volobuev Oleg | Frontend developer

I'm an aspiring self-taught front-end developer. In the past, I have been working in Industrial and Civil engineering as a structural engineer and an Architect.

As for now, I'm in the learning process of technologies used for frontend development such as React and TypeScript. Currently passing last part of async Profession React Developer from [HTMLAcademy](#).

Key Skills

- JavaScript (ES6+ standard)
- WebPack
- React
- Redux
- MVP(MVC) Architecture
- WebPack
- Fetch API
- REST API
- DOM API
- External API and libraries (leaflet, flatpickr, lodash, dayjs, chartjs)
- MVP(MVC) Architecture
- BEM methodology
- Responsive Design
- HTML
- Basic Algorithms and Data Structures
- GULP
- GIT
- CSS
- SCSS/SASS
- ServiceWorkers
- English (Upper-Intermediate)
- Python (v.3+)
- JSON
- FIGMA
- AVOCODE

Pet-Projects

- [BigTrip](#). SPA [GitRepo](#)
The SPA service helps to plan a detailed trip route, calculate the cost of travel and get information about attractions. SPA project was performed without any framework. It represents MVP architecture with OOP principles and offline mode through service workers.
STACK: *JavaScript ES6, OOP, MVP, REST API, ServiceWorkers, WebPack, CSS3, HTML5*
- [KeksoBooking](#). Application [GitRepo](#)
A service is created to place ads for renting real estate in the center of Tokyo. Users can place ads about their real estate or see already placed ads.
STACK: *JavaScript ES6, WebPack, CSS3, HTML5*
- [App-Lab](#). Landing Page [GitRepo](#)
Small landing page with responsive design
STACK: *JavaScript ES6+, SCSS + CSS3, HTML5.*

JavaScript is used to create general dynamic of the webPage and interactive user Interface. (Smooth scrolls by menu buttons, Toggle-buttons selective buttons, Carousels, Accordions, Banners).

Design: PSD [Template](#).

Education

- Master Of Science (2018-2020) - «Civil Engineering» with a specialization in Structural mechanics.
Uni: *National Research University Moscow State University of Civil Engineering.*
- Bachelor Of SCIENCE (2014-2018) - «Civil Engineering» with a specialization in Soil Mechanics and Geotechnics
Uni: *National Research University Moscow State University of Civil Engineering.*
